Admission policies
to study at the non-profit joint stock company "Abai Kazakh National Pedagogical University", which implements educational programs of higher education

Almaty, 2025

1. General Provisions

1. These admission policies at the NJSC "Abai Kazakh National Pedagogical University" (hereinafter - the University) implementing educational programs of higher education have been developed in accordance with the Laws of the Republic of Kazakhstan "On Education", the Regulations on the Ministry of Science and Higher Education of the Republic of Kazakhstan, approved by the Decree of the Government of the Republic of Kazakhstan dated August 19, 2022 No. 580 "On certain issues of the Ministry of Science and Higher Education of the Republic of Kazakhstan", which determine the admission procedure for training in an educational organization, implementing educational programs of higher education and the provision of public services "Acceptance of documents and enrollment in higher education organizations for training in educational programs of higher education" and the Standard Rules for admission to educational organizations implementing educational programs of higher education, approved by the draft order of the Ministry of Science and Higher Education of the Republic of Kazakhstan on amendments and additions to the order Ministry of Education and Science of the Republic of Kazakhstan dated October 31, 2018 No. 600, determining the procedure and conditions for the admission of persons to study under bachelor's degree programs.

2. Admission procedure at the University

2. Admission of persons entering the university is carried out by means of distribution of educational grant at the expense of the republican budget or local budget, as well as payment of tuition at the expense of citizens' own funds and other sources.

3. The university admits persons with general secondary, technical and vocational, post-secondary (tertiary), higher education.

4. Persons entering the university who have secondary, technical and vocational or post-secondary education, with the exception of those entering related areas of higher education training that provide for shortened periods of study, who have passed the Unified National Testing (hereinafter - UNT) and wish to participate in the competition for an educational grant for higher education at the expense of the republican budget or local budget, must score at least 65 points based on the UNT results. Moreover, applicants must score at least 75 points in the field of "Pedagogical Sciences", and at least 75 points in the field of "Law". Those entering paid education must score the minimum threshold of UNT points specified in *Appendix 1.*

At the same time, it is necessary to score at least 5 points in History of Kazakhstan and two profile subjects of UNT and (or) creative examination, and at least 3 points in Reading Literacy and Mathematical Literacy.

Persons who have technical and professional, post-secondary education, entering in related areas of training of higher education, providing shortened terms of study, who have passed UNT and wishing to participate in the competition for the award of educational grant of higher education at the expense of the national budget or local

budget, must score on the results of UNT at least 25 points and in the field of "Pedagogical Sciences" - at least 35 points, including at least 5 points in each discipline of UNT and (or) the creative exam.

When passing the UNT in digital format in the competition for the award of educational grant of higher education at the expense of the national budget or local budget, the entrant participates with one of the two results of the UNT, having the required number of points specified in this paragraph.

At the same time, the requirements specified in this paragraph does not apply to persons of Kazakh nationality who are not citizens of the Republic of Kazakhstan.

4-1. Persons holding international certificates confirming proficiency in a foreign language (English): Test of English as a Foreign Language Institutional Testing Programm (TOEFL ITP), Test of English as a Foreign Language Institutional Testing Programm Internet-based Test (TOEFL IBT), International English Language Tests System (IELTS) are optionally exempted from taking "Foreign Language (English)", which is a vocation-related subject or special discipline of UNT.

In case of simultaneous passing of a specialized subject or special UNT discipline "Foreign language (English)" and submission of one of the above international certificates confirming proficiency in a foreign language (English) for the UNT certificate, the scores in the foreign language (English) with the best result are taken into account.

Persons who have SAT, ACT, IB, A Level, TOEFL ITP, TOEFL IBT, IELTS certificates of international standardized tests participate in the competition for awarding educational grants and (or) are enrolled in higher education institutions on a paid department, in accordance with the scale of points transfer, according to Annex 2-1 to these Admission policies.

4-2. Persons having KAZTEST certificate, confirming the Kazakh language knowledge, not lower than level B1 (average) at will are exempted from passing the "Kazakh language" profile subject or special discipline of UNT and participate in the competition for awarding educational grants and (or) enroll in the OHPE on a paid department, in accordance with the scale of conversion of points, according to Annex 2-2 to these Admission policies.

4-3. Graduates of the autonomous educational organization "Nazarbayev Intellectual Schools" having certificates of UNT on the basis of transfer of points of external evaluation of learning outcomes, in accordance with the scale of transfer of points, according to Annex 2-3 of these Admission policies participate in the competition for the award of educational grants and (or) are enrolled in universities for a fee.

5. By order of the Chairman of the Board - Rector of the University, an admission committee is established. The Admissions Committee consists of Vice-Rectors, heads of structural units and representatives of the teaching staff of the University. The quantitative composition of the Admissions Committee is to be of odd number of members. The Chairman of the Admissions Committee is the Chairman of the Board - Rector of the University. By order of the Chairman of the Board - Rector

of the University, the responsible secretary of the Admissions Committee is to be appointed.

5-1. In accordance with the Order of the Minister of Education and Science of the Republic of Kazakhstan from October 31, 2018 № 606, the study group for each educational program is formed in the number of at least 10 students. If the enrollment is less than 10 students, the university has the right to enroll the applicant in a related educational program and has to notify them about it before August 20 of the current year. In case of disagreement with the University Admission Policies, the applicant has the right to enroll in another educational institution.

5-2. University in accordance with subparagraph 6) of paragraph 2 of Article 43-1 of the Law determines the admission procedure, form, program of additional examination and (or) passing score for entrants, taking into account the characteristics of the direction of training, except for entrants specified in paragraphs 8 and 9 of Article 26 of the Law.

The University accepts applications for participation in the additional examination and conducts it from August 1 to August 20.

The University has the right to hold an additional examination for admission on a paid basis, which is regulated by the Admission Policies approved by the Chairman of the Board - Rector of the University.

6. Citizens of the Republic of Kazakhstan, having technical and professional, post-secondary or higher education, is to be accepted to study under educational programs of higher education, providing for shortened terms of study.

Admission to the University of persons who have technical and professional or post-secondary education with the qualification of "specialist of middle level", or "applied bachelor" in related areas of training of higher education, providing for shortened terms of study, entering on a fee-paying basis, is carried out based on the results of the interview conducted by the University's admission committees.

Admission to the University of persons with higher education, on the group of educational programs (hereinafter - GEP), providing shortened terms of study on a paid basis, is carried out according to the results of the interview conducted by the admission commissions of the University.

Admission of citizens with general secondary education, who served military service, to study at the University on a paid basis is carried out within two years after military service according to the results of the interview, conducted by the admission commissions of the University during the calendar year. At the same time, the enrollment of citizens who have served a fixed-term military service is carried out in accordance with the academic calendar and 5 (five) days before the beginning of the next academic period.

Citizens of the Republic of Kazakhstan, who served military service, who have technical and professional, post-secondary or higher education, are admitted within two years after military service to study on a paid basis on educational programs of higher education, providing for shortened terms of study based on the results of the interview conducted by the admission committees of the University during the calendar year. At the same time, the enrollment of citizens who have served a fixed-

term military service is carried out in accordance with the academic calendar and 5 (five) days before the beginning of the next academic period.

7. Admission of foreign citizens under an allocated quota on the basis of an educational grant in accordance with the interstate agreement is carried out by the university independently.

Admission of foreign citizens to study at the university on a fee-paying basis is carried out based on the results of an interview conducted by the university's admissions committee during the calendar year. In this case, enrollment of foreign citizens is carried out in accordance with the academic calendar 5 (five) days before the start of the next academic period.

Admission of foreign citizens to study at the University on a paid basis is carried out based on the results of the interview conducted by the Admissions Committee of the University during the calendar year. At the same time, enrollment of foreign citizens is carried out in accordance with the academic calendar and 5 (five) days before the beginning of the next academic period. Admission and enrollment periods to international and foreign educational institutions in the Republic of Kazakhstan and (or) their branches created by decision of the authorized body in the field of science and higher education are determined by the university independently, subject to the availability of UNT certificates.

8. An admission quota is provided during an admission period to study at the University. Furthermore, the amount of quota is approved by the order of the Minister of Science and Higher Education of July 26, 2023 № 357 "On approval of the size of the quota of admission at admission to study in educational organizations implementing educational programs of higher education".

9. Admission of persons entering the university of higher education is carried out on their applications on a competitive basis in accordance with the officially confirming the result of the Unified National Testing (UNT) posted on the website of the National Testing Center (hereinafter - UNT certificate).

3. Procedure for admission and conduction of special and (or) creative examinations

10. Admission to study on the GEP of higher education, requiring special and (or) creative training, including in the fields of "Pedagogical Sciences", is carried out taking into account the results of special and (or) creative examinations.

11. To organize and conduct special and (or) creative examinations, a commission is established by order of the Chairman of the Board - Rector of the University for the period of the examination.

The commission for creative examinations in the areas of "Pedagogical Sciences" and "Art" includes representatives from among the teaching staff of the university. The composition of the commission for creative examinations in the directions of "Art" and "Teacher training with subject specialization of general development" also includes persons with relevant education in the profile and recommended by the local authorized body in the field of culture and sports.

The examination commission does not include members of the appeal commission.

The commission consists of an odd number of members, and the chairman of the commission is elected by a majority of votes from among the members of the commission. The decision of the commission is considered to be eligible if at least two thirds of its members are present at the meeting. The decision of the commission is made by a majority of votes of those present at the examination. In case of equality of votes, the vote of the chairman of the commission is decisive.

12. Special and (or) creative examinations are held on the GEP in accordance with the List of GEPs, on which special and (or) creative examinations by profile are held, according to Annex 3 to these Admission policies.

Persons entering the GEP of higher education, requiring special and (or) creative training, including in the field of "Pedagogical Sciences", to be able to participate in special and (or) creative examinations need to submit the following documents to the admission committee of the university:

1) document on general secondary or technical and vocational, post-secondary education (original copy);

2) two photos 3x4 centimeters in size and their digital version in jpg format;

3) copy of the identity document;

4) UNT certificate (if available);

5) a copy of the document confirming the presence of one of the sports titles and (or) sports category established by paragraph 1 of Article 35 of the Law of the Republic of Kazakhstan from July 3, 2014 "On Physical Culture and Sports" (if available).

13. Applications from applicants for the creative examination are accepted from June 20 to July 6 of the calendar year.

The creative examination is held from July 7 to July 13 of the calendar year.

For persons entering on a paid basis on the GEP of higher education, requiring creative training:

- acceptance of applications from applicants to take the creative examination is carried out from June 20 to August 10 of the calendar year;
- the creative examination is held from July 7 to August 15 of the calendar year.

14. Persons entering the GEP of higher education, requiring creative training, who have documents on general secondary, technical and vocational or post-secondary education, take two creative examinations.

Persons entering the GEP of higher education, requiring creative training in related areas of training of higher education, providing shortened terms of study, take one creative examination.

The form of special and (or) creative examinations is established in accordance with *Appendix 4* to these Admission policies.

15. Acceptance of documents of applicants and special examination for admission to the fields of "Pedagogical Sciences" is carried out at the University from June 20 to August 20 of the calendar year.

16. Persons entering the group of educational programs of higher education, requiring creative training at the expense of the national budget or local budget, pass creative examinations, in the university of their choice, except for those entering the university on a paid basis.

For persons having secondary or technical and professional, post-secondary education, entering the group of educational programs of higher education, requiring creative training, points on the history of Kazakhstan, reading literacy (language of study) are taken into account.

For persons entering the group of educational programs of higher education, requiring creative training in related areas of training of higher education, providing shortened terms of study, points on a special discipline are taken into account.

17. Persons entering the university in the fields of "Pedagogical Sciences", pass one special examination, conducted by the admission commissions of the university.

For persons entering the university in the fields of "Pedagogical Sciences", points on the history of Kazakhstan, mathematical literacy, reading literacy (language of study), two specialized subjects are taken into account.

For persons entering the university in the fields of "Pedagogical Sciences" in related areas of training of higher education, providing shortened terms of study, points on general professional and special disciplines are taken into account except for those entering the university on a paid basis.

18. Programs of special and (or) creative examinations are developed at the university and approved by the chairman of the admission committee.

19. The schedule of special and (or) creative examinations (form of examination, date, time and place of examination, consultations) is approved by the chairman of the admission committee and brought to the attention of applicants before the beginning of the admission of documents and published on the official website of the University.

20. Entrance to the auditorium (classroom) of special and (or) creative examinations is carried out upon presentation of an identity document.

Moreover, special and (or) creative examinations are held in auditoriums (classrooms) equipped with video and (or) audio recording.

21. Before the beginning of special and (or) creative examinations, applicants are given the examination material and the procedure for the design of cover sheets are explained. Furthermore, the time of the beginning and end of special and (or) creative examinations, the time and place of the announcement of the results and the procedure for filing an application for appeal are also explained.

22. Creative examinations for entrants who have documents on general secondary or technical and vocational, post-secondary education, are evaluated on a 50-point system.

Creative examination for entrants in related areas of higher education training, providing shortened terms of study, is evaluated on a 20-point system.

Special examination for entrants in the fields of Pedagogical Sciences" is evaluated in the form - "admission" or "non-admission".

23. The results of the creative examination are formalized by grade sheet, the results of the special examination – admission sheet. The transcript of the commission in any form and is submitted to the executive secretary of the Admissions Committee (his deputy) for the announcement of the results. The transcript of the commission is signed by the chairman and all present members of the commission.

24. The results of special and (or) creative examinations are announced on the day of the examination. Special and (or) creative exams are not subject to retaking. Special and (or) creative exams in the event of applicants' absence from one of them due to illness, including with a supporting document, are not subject to rescheduling or retaking.

25. According to the results of special examinations in the field of "Pedagogical Sciences" the entrant is given an extract from the grade sheet for presentation at the place of enrollment.

According to the results of the creative examination the entrant is given an extract from the grade sheet for admission to the university on a paid basis.

26. For the period of examinations, in order to comply with the requirements for special and (or) creative examinations, as well as the resolution of disputes, protection of the rights of persons taking the relevant examinations, by the order of the Chairman of the Board - Rector of the University or a person acting as their interim, an appeal committee is established, consisting of an odd number of members, including its chairman.

27. The application for appeal is to be submitted to the Chairman of the Appeal Commission personally by the person who passed the special or creative examination and is to be accepted until 13.00 (1 P.M.) of the next day after the announcement of the results of the special or creative examination and is to be considered by the Appeal Commission within one day.

28. The decision of the appeal commission is considered eligible if at least two thirds of its members are present at the meeting. The decision on the appeal about disagreement with the results of a special or creative examination are made by a majority of votes from the number of present members of the commission. In case of equality of votes of the members of the appeal commission, the vote of the chairman is considered to be decisive. The work of the appeal commission is formalized in a transcript signed by the chairperson and all present members of the commission.

29. The University, on the day of completion of the special and (or) creative examination, transfers the results of the special and (or) creative examination of entrants to participate in the competition for the award of educational grant of higher education at the expense of the national budget and (or) enrollment in the University for paid training to the information system of the National Testing Center of the Ministry of Science and Higher Education of the Republic of Kazakhstan.

4. Enrollment procedure at the University

30. Enrollment of students in the University is conducted by the Admissions Committee from August 10 to August 25 of the calendar year and is formalized by the appropriate order of the Chairman of the Board - Rector of the University.

31. When sending admitting their application to the admission committee applicants also need to attach following documents:

1) document on general secondary, technical and vocational, post-secondary or higher education (original copy);

2) a copy of the identity document;

3) six photos 3x4 centimeters in size and their digital version in jpg format.

4) medical certificate in the form 075/y in electronic format, approved by the Order №ҚР ДСМ- 175/2020, a picture of fluorography;

5) UNT certificate;

6) excerpt from the grade sheett (for entrants on educational programs of higher education, requiring special and (or) creative training, including in the field of "Pedagogical Sciences");

7) certificate of award of educational grant (if available).

32. Citizens from among the disabled of I, II groups, disabled from childhood, disabled children, persons equated by benefits and guarantees to participants and disabled of the Great Patriotic War, persons of Kazakh nationality who are not citizens of the Republic of Kazakhstan, orphans and children left without parental care, as well as citizens of the Republic of Kazakhstan from among young people who lost or were left without parental care until adulthood, need to additionally submit documents confirming the provision of preferential right and quota.

33. Persons who have documents on technical and vocational, post-secondary education, confirmed qualification and have at least one year of work experience in their specialty additionally need to submit one of the following documents:

1) copy of the labor record book (the original is provided for verification);

2) record of service (list of information about the work, employment history of the employee), signed by the employer, certified by the seal of the organization (if available);

3) an archive certificate containing information on the employee's labor activity,

4) an employment contract with the employer's note on the date and grounds for its termination;

34. Persons who have received a certificate of awarding an educational grant of higher education at the expense of the national budget or local budget, apply for admission and are enrolled as students by the appropriate order of the Chairman of the Board - Rector of the University.

The holders of the educational grant of higher education on groups of educational programs requiring creative training are enrolled in the University, in which they passed creative examinations.

35. Citizens of the Republic of Kazakhstan who are admitted on the basis of a state grant shall enter into an agreement to work for at least 3 (three) years in the manner **established by the order of the Interim Minister of Science and Higher**

Education of the Republic of Kazakhstan dated August 11, 2023 No. 403 "On approval of the Rules for sending a specialist to work, reimbursement of expenses incurred at the expense of budgetary funds, granting the right to independent employment, exemption from the obligation to work by citizens of the Republic of Kazakhstan who studied on the basis of a state educational order" and the order of the Interim Minister of Science and Higher Education of the Republic of Kazakhstan dated August 25, 2023 No. 443 "On approval of the Rules for awarding an educational grant to pay for higher or postgraduate education with the award of a bachelor's or master's degree"

36. Persons who have secondary or technical and vocational, post-secondary education of the current year, who have passed the UNT within the established terms in accordance with the order №204 and have reached the threshold score established in paragraph 4 of these Admission policies, may apply to the Chairman of the Board - Rector of the University for admission on a paid basis before receiving a document on general secondary or technical and vocational, post-secondary education.

In this case, students in the final 11 (12) grades of secondary education organizations, who passed the UNT in the established time frame, in the period from February 1 to August 25 of the calendar year may apply to the Chairman of the Board - Rector of the University for admission on a paid basis before receiving a document on general secondary education.

After receiving a document on general secondary or technical and vocational, post-secondary education, applicants need to submit documents according to the lists specified in paragraphs 12 and 31, 33 of these Admission policies.

37. Persons who have achieved the threshold score established in paragraph 4 of these Admission policies, based on the results of UNT, submit an application to the Chairman of the Board - Rector of the University for admission on a paid basis.

The application needs to be accompanied by the UNT certificate, a copy of the transcript signed by an authorized person and sealed.

According to the university's Regulations on granting tuition discounts to enrolled students, students with low social status, orphans, large families, people with disabilities for health reasons, as well as children belonging to this category of students on a fee-based basis, special discounts are provided.

When providing incomplete lists of documents specified in paragraphs 12 and 31, 33 of these Admission policies, the Admissions Committee does not accept documents from applicants.

38. Enrollment in the university is carried out separately on GEP of higher education and language departments.

Enrollment on GEP of higher education, for which creative examinations are established, is carried out taking into account the scores of UNT on the history of Kazakhstan, reading literacy (language of study) and on creative examinations.

Enrollment in the GEP of higher education on a paid basis, having technical and professional, post-secondary education in related areas of training of higher education, providing shortened terms of study is based on an interview.

Persons with technical and vocational, post-secondary education, entering the educational grant and paid training, in non-related directions pass UNT in 5 subjects and are enrolled in the university for full training.

Enrollment in the field of "Pedagogical Sciences" is carried out taking into account the results of a special examination.

39. Documents in a foreign language are provided with a notarized translation into Kazakh or Russian.

Education documents issued by foreign educational organizations undergo the nostrification procedure in accordance with the procedure established by the legislation of the Republic of Kazakhstan after enrollment of persons during the 1 (first) academic period of study.

40. The University, within 10 (ten) calendar days after completion of enrollment, submit a final report on student enrollment to the authorized body in the field of education.

5. Final Provisions

41. These Admission Policies enter into force on the date of their approval and remain in effect until replaced by new rules.

42. Changes and additions to these Policies may be made on the basis of substatutory documents and orders of the Ministry of Higher Education of the Republic of Kazakhstan regulating the work and activities of higher educational institutions..

** - for applicants to educational programs in the creative field, the scores of the UNT in two subjects must not be less than the scores specified in Appendix 1, and for two creative subjects no less than 65 points.*

Scale for converting SAT, ACT, IB, A Level scores into UNT score.

Scale for converting SAT international standardized test scores into UNT score

The conversion of SAT Reasoning score into UNT score is carried out subject to passing the UNT in the subject History of Kazakhstan and two specialized subjects.

The date of the SAT Reasoning certificate for conversion into UNT certificate score must not be older than five years.

The score obtained in the SAT Reasoning section can be converted into UNT certificate score in the subjects "reading literacy" and "mathematical literacy" (Table 1).

Table 1. Scale for converting the score of the International Standardized Test SAT Reasoning certificate into UNT score

International Standardized Test SAT Reasoning		UNT	
Test type	Score	Test type	Score
SAT reasoning	at least 950 points (out of 1600 points)	1 block (compulsory disciplines) Reading literacy	7 out of 10
		Mathematical literacy	7 out of 10
	at least 1050 points (out of 1600 points)	Reading literacy	8 out of 10
		Mathematical literacy	8 out of 10
	at least 1150 points (out of 1600 points)	Reading literacy	9 out of 10
		Mathematical literacy	9 out of 10
	at least 1250 points (out of 1600 points)	Reading literacy	10 out of 10
		Mathematical literacy	10 out of 10

Note: The minimum SAT Reasoning score (for conversion to UNT certificate score) is 950 out of 1600. If the SAT Reasoning section score is insufficient, the SAT Reasoning score is not converted to UNT certificate score.

The conversion of SAT reasoning and SAT subject scores into UNT score is carried out provided that the UNT is passed in the subject History of Kazakhstan and provided that the SAT subject subjects coincide with the core UNT subjects.

The date of the SAT Reasoning and SAT subject certificate for conversion into UNT certificate score must not be older than five years.

The score obtained in sections and SAT subject can be converted into UNT certificate score according to the Scales for converting SAT Reasoning score (Table 1) and SAT Subject score into UNT score (Table 2).

Table 2. Scale for converting score of the international standardized test certificate SAT Reasoning, SAT Subject into UNT score

International Standardized Test SAT		UNT	
Test type	Score	Test type	Score
SAT reasoning	at least 950 points (out of 1600 points)	1 block (compulsory disciplines) Reading literacy	7 out of 10
		Mathematical literacy	7 out of 10
	at least 1050 points (out of 1600 points)	Reading literacy	8 out of 10
		Mathematical literacy	8 out of 10
	at least 1150 points (out of 1600 points)	Reading literacy	9 out of 10
		Mathematical literacy	9 out of 10
	at least 1250 points (out of 1600 points)	Reading literacy	10 out of 10
		Mathematical literacy	10 out of 10
SAT subject	at least 625 points (out of 800 points) in each of 2 core subjects*	1 vocation-related subject	44 out of 50
		2 vocation-related subject	44 out of 50
	at least 650 points (out of 800 points) in each of 2 core subjects*	1 vocation-related subject	46 out of 50
		2 vocation-related subject	46 out of 50
	at least 675 points (out of 800 points) in each of 2 core subjects*	1 vocation-related subject	48 out of 50
		2 vocation-related subject	48 out of 50
	at least 700 points (out of 800 points) in each of 2 core subjects*	1 vocation-related subject	50 out of 50
		2 vocation-related subject	50 out of 50

Note: The conversion of SAT subject section score into UNT core subject score is carried out at the request of the SAT Subject certificate holder and if the scores in the SAT Subject disciplines are sufficient (minimum score 625 points out of 800). If the SAT reasoning, SAT subject section scores are insufficient, it is prohibited to convert SAT certificate scores into UNT certificate score.

The holder of the SAT certificate has the right to ignore the SAT Subject section and take the UNT in specialized subjects.

* In the event that the combination of "English Language - World History" is selected as the vocation-related subjects of the UNT, only one subject of the SAT Subject "World History" may be indicated, with the mandatory presence of an International English Language Tests System (IELTS) certificate, in accordance with the scale of conversion of points approved in accordance with Appendix 2-1 of these ADMISSION pOLICIES.

Scale for converting ACT international standardized test score into UNT score

The conversion of ACT score to UNT score is carried out subject to passing the UNT in the subject "History of Kazakhstan".

The date of the ACT certificate for conversion to UNT certificate points must not be more than three years old.

The points scored in the English, Mathematics, and Reading sections of the international standardized ACT test can be converted into UNT certificate points in the subjects of "reading literacy" and "mathematical literacy", the points of the Science section are converted into UNT points in vocation-related subjects, according to the established scale (Table 3).

Table 3. Scale for converting ACT international standardized test score into UNT score

International Standardized Test ACT		UNT	
Test Sections	Score	Test type	Score
English Mathematic Reading	at least 19 points (out of 36 points) for each section	Reading literacy	7 out of 10
		Mathematical literacy	7 out of 10
English Mathematic Reading	at least 21 points (out of 36 points) for each section	Reading literacy	8 out of 10
		Mathematical literacy	8 out of 10
English Mathematic Reading	at least 23 points (out of 36 points) for each section	Reading literacy	9 out of 10
		Mathematical literacy	9 out of 10
English Mathematic Reading	at least 26 points (out of 36 points) for each section	Reading literacy	10 out of 10
		Mathematical literacy	10 out of 10
Science (biology, geography, chemistry, physics)	at least 19 points* (out of 36 points)	2 vocation-related subject	44 out of 50 44 out of 50
Science (biology, geography, chemistry, physics)	at least 21 points* (out of 36 points)	2 vocation-related subject	46 out of 50 46 out of 50
Science (biology, geography, chemistry, physics)	at least 23 points* (out of 36 points)	2 vocation-related subject	48 out of 50 48 out of 50
Science (biology, geography, chemistry, physics)	at least 26 points* (out of 36 points)	2 vocation-related subject	50 out of 50 50 out of 50

Note: The minimum score for any section of the ACT certificate to convert to UNT certificate score is 19 out of 36 points. If the score for any section of the ACT certificate is insufficient, it is prohibited to convert ACT certificate score to UNT certificate score.

It is possible to transfer ACT Science section score to such vocation-related UNT subjects as biology, geography, chemistry, and physics.

Scale for converting IB (International Baccalaureate) certificate/diploma points into UNT certificate points

The scale for converting IB certificate or diploma points into UNT points is shown in Table 4.

Table 4. Scale for converting IB certificate or diploma points into UNT points

№	IB Certificate/ Diploma Subjects	IB points	1	2	3	4	5	6	7
1	Mathematics/Mathematics (Mathematical Literacy)	UNT points	3	5	6	7	8	9	10
2	Vocation-related subjects		16	26	32	40	46	49	50

Note: The conversion of IB points into UNT points is carried out on the condition that the UNT is passed in the subjects History of Kazakhstan and Reading Literacy, and IB points are converted into UNT points on the condition that the cvocation-related subjects match.

Scale for converting International Baccalaureate A Level program points into UNT points

To obtain a UNT certificate, all holders of a certificate or diploma of the International Baccalaureate A Level program who wish to transfer points are required to pass the UNT in the subjects History of Kazakhstan and Reading Literacy, provided that the vocation-related subjects coincide.

The scale for converting International Baccalaureate A Level program points into UNT points is shown in Table 5.

Table 5. Scale for converting International Baccalaureate Program A Level points into UNT points

№	Subjects / points		A Level						
			U	E	D	C	B	A	A*
1	Mathematics/Mathematics (Mathematical Literacy)	UNT points	3	5	6	7	8	9	10
2	Vocation-related subjects		16	26	32	40	46	49	50

Note: Conversion of international standardized tests SAT, AST, IB, A Level into UNT score for individual subjects is not performed.

Scale for converting IELTS certificate score into UNT score (vocation-related subject/major subject "Foreign Language (English)")

№	Test type	Score	UNT score for the major subject "Foreign Language (English)"	UNT score for the major subject "Foreign Language (English))"
1	IELTS	6.0 and higher	50	50
2		5.5	46	46
3		5.0	42	42

Scale for converting scores of the international standardized tests certificate TOEFL ibt TOEFL itp into UNT score (vocation-related subject/major subject "Foreign Language (English)")

№	Test type	Score	UNT score for the major subject "Foreign Language (English)"	UNT score for the major subject "Foreign Language (English))"
1	TOEFL ibt	60 and higher	50	50
2		46-59	46	46
3		35-45	42	42
1	TOEFL itp	498 and higher	50	50
2		460-497	46	46
3		433-459	42	42

In the absence of the English language subject in certificates (diplomas), international standardized tests SAT, AST, IB, A Level, it is allowed to jointly use international certificates confirming proficiency in a foreign language (English): Test of English as a Foreign Language Institutional Testing Program (TOEFL ITP), Test of English as a Foreign Language Institutional Testing Program, Internet-based Test (TOEFL IBT), International English Language Tests System (IELTS), in accordance with the translation scale points for these certificates.

Appendix 2-2

Scale for converting KAZTEST certificate points into UNT points (vocation-related subject/major subject "Kazakh")

Test Type	Certificate (Points)	Score	UNT scores for the major subject "Kazakh"	UNT scores in the special discipline "Kazakh language"
KAZTEST	**C1** (128-160)	128-160	50	50
	B2 (96-127)	96-127	46	46
	B1 (80-95)	80-95	42	42

Appendix 2-3

Scale for converting external assessment scores of the learning outcomes of graduates of AEO "NIS" into UNT certificate score

№	Subject	AEO "NIS" graduates							
		Max score	U(1)	E(2)	D(3)	C(4)	B(5)	A (6)	A* (7)
1	Kazakh language (reading literacy)	10	3	5	6	7	8	9	10
2	Kazakh language (major subject)	50	16	26	32	40	46	49	50
3	Russian language (reading literacy)	10	3	5	6	7	8	9	10
4	Russian language (major subject)	50	16	26	32	40	46	49	50
5	History of Kazakhstan	20	7	11	13	16	17	19	20
6	Mathematics (Mathematical literacy)	10	3	5	6	7	8	9	10
7	Mathematics (ajor subject)	50	16	26	32	40	46	49	50
8	Vocation-related subjects	50	16	26	32	40	46	49	50

* The highest result
